

2011/2012 INFORMATION

Upon request, you will be issued a receipt of purchase from the Canadian Ski Council, which will accompany your lift pass purchase when it is sent out to you by courier in the **fall** in advance of the commencement of the ski season (mid October to early November). If you own your own business or your company has purchased your passes, the purchase may be eligible as a corporate expense. If so, we recommend purchasing the passes under your company name. It is advisable to consult your accountant on this matter. For non-business owners, please remember the Lift Pass Program is still the most cost efficient way to buy lift passes for the 2011/2012 season.
